DR. MARTIN B. GOLDSTEIN SPEAKS ON ESSENTIAL ANTERIOR DENTISTRY *Connecticut State Dental Association Continuing Education Series for Dentists*

SOUTHINGTON, CT – Dr. Martin B. Goldstein, a practicing dentist in Wolcott, CT, will be presenting at an upcoming Continuing Education (CE) course as part of the [Connecticut State Dental Association \(CSDA\) CE Package Program](#). On June 9, 2010 at the Aqua Turf in Plantsville, CT, Dr. Goldstein, a CSDA member, will be speaking on the topic of “Essential Anterior Dentistry: Digital Portrait to Finished Case.”

This seminar series topic, in its sixth year, presents a relaxed but detailed overview of current day anterior dentistry techniques with an emphasis on developing a streamlined approach. Attention is paid to a methodology (Templates for Success) that takes the guesswork out of delivering anterior dentistry as well as the basic digital photographic methodology needed to participate in the process.

To learn more about additional CE classes offered by the CSDA and to register for upcoming programs visit, <http://csda.com/education/education.html>.

To learn more about Dr. Goldstein visit, www.drgoldsteinspeaks.com.

About Connecticut State Dental Association

The Connecticut State Dental Association (CSDA) has 2,700 members including dentists, dental hygienists and dental assistants. As the trusted leader and voice for oral health care in CT, the CSDA has advocated for the public's health and promoted the art and science of dentistry since 1864. For more information about the CSDA, visit the Association's Web site at www.csda.com.
